TECH RANKS 21ST IN PRE-SEASON LINDY'S MAGAZINE DIVISION II POLL: *Lindy's* Annual Preseason Football Magazine has high hopes for the Wonder Boys this season as the publication ranked Tech 21st in the its preseason Division II poll. Tech was one of five GSC squads ranked in the D-II poll. Delta State headlines the contingent of GSC teams ranked as the Statesmen are ranked seventh, while Valdosta State is ranked eighth, North Alabama checks in at No. 16 and Henderson State is ranked 23rd in the poll. Two-time defending NCAA D-II national champions Grand Valley State sits atop the D-II poll, while NW Missouri State is ranked second and Chadron State is No. 3. North Dakota and Bloomsburg [PA] round out the Top 5 at No. 4 and No. 5 respectively. The

Wonder Boys face all four of the GSC ranked teams in the Lindy's poll on four successive weeks and they open the season tonight at No. 2 ranked Northwest Missouri State. In addition to ranking the Top 25 D-II teams, Lindy's also compiled a list of key D-II games this season and Tech's game on Oct. 6 at Delta State is one of those 25 key D-II games. Other key GSC games listed are Henderson State at Delta State on Sept. 15, Delta State at Valdosta State on Oct. 11 and North Alabama at Valdosta State on Oct. 27.

RECAP OF NORTHWEST MISSOURI GAME: Arkansas Tech's season opener last Thursday, Aug. 23 at No. 2 ranked Northwest Missouri State was called with 2:30 remaining in the first quarter due to lightning. When the game was called, the Bearcats were leading 21-0, but Tech was driving the ball and appeared headed for its first score of the game when the officials stopped play.

Since the game was called before it became a complete game, none of the statistics will count, nor will the team's or coaches records be changed. According to the NCAA, a college football is considered to be complete after three quarters have been played.

The game was delayed for a little over an hour with 9:42 remaining in the quarter, before play resumed, prior to being called after the second delay for lightning.

"I don't disagree with the decision at all," Tech Head Football Coach and Athletic Director **Steve Mullins** said following the game. "I think Dr. Bob Boerigter and his staff made the right decision. The number one thing is the safety of the players and the fans."

Prior to returning to the field after the first lightning delay, the game officials, coaches and game administrators met to discuss the options when and if play were to resume. The decision was made to call the game should it once again be interrupted by threatening weather.

The game at Northwest Missouri State was scheduled to be the earliest season opener in Tech history. The previous earliest start came in

2005 when Tech opened the season on Aug. 25 with a 35-32 win at Northeastern State.

TECH ENTERS NEW SEASON HAVING WON FOUR STRAIGHT GAMES:

Tech enters the 2007 season in the midst of a four-game winning streak as they ended last season winning its final four games, holding its four opponents to a combined 73 points (18.3 points/game) and scoring 124 points (31 points/game) after losing three straight games to fifth-ranked Valdosta State, third-ranked North Alabama and 16th-ranked Delta State in the middle of the season. The four-game winning streak is the longest for Tech since winning five straight games during the 2005 season. The four-game winning streak is the longest such streak for a GSC team entering this season.

TECH IN THE NATIONAL POLLS:

Tech enters this week's contest unranked in all three of the major Division II national polls. The Wonder Boys, who received five

STEVE MULLINS - HEAD COACH / ATHLETIC DIRECTOR

University of Arkansas-Monticello, 1980 (B.S. Science)

University of Central Arkansas, 1982 (M.Ed. Physical Education)

Steve Mullins is entering his 11th season at the helm of the Wonder Boys. He enters this season with an overall record of 66-41 (.617) and a Gulf South Conference record of 56-32 (.636).

Since joining the sidelines as Tech's head coach in 1997, Mullins has brought the Wonder Boys into the upper echelon of the toughest NCAA Division II football conference in the country. He has led Tech to one Gulf South Championship (1999) and the school's first-ever NCAA Division II Playoff victory (2004).

Mullins enters the 2007 season as the second winningest active coach in terms of wins in the GSC and is the third winningest coach in Arkansas Tech's 93-year history of football.

Last season, Mullins led Tech to a 7-3 overall record and a 5-3 mark in the GSC. The seven wins was Mullins' sixth season of winning at least seven games with the Wonder Boys.

In 2004, Mullins led the Wonder Boys to the school's fourth-ever 10-win season and first since 1971 and led the squad to the NCAA Division II Playoffs for the second time in five seasons. In addition, Tech won its first ever playoff game at the Division II level and set the school record for total offense (4,949 yards).

For the season, Tech finished the season with a 10-2 record and an 8-1 mark in the Gulf South Conference, which led Mullins to be named the GSC and AFCA Division II Region Coach of the Year.

In his first two seasons at Tech, Mullins led the Wonder Boys to records of 4-7 in 1997 and 5-5 in 1998 before breaking through in 1999 with a 9-3 record and the school's first GSC Championship, which earned Mullins the league's Coach of the Year honor. The 1999 team featured three All-Americans and seven All-GSC selections.

Following the 1999 season, Mullins led Tech to records of 7-3 in 2000, including a 24-10 win over eventual national champion Delta State and 8-2 in 2001.

Since coming to Tech, Mullins' impact can't just be measured in mere wins and losses. In the past nine years, 38 Wonder Boys have been selected to the GSC All-Academic Team and 115 football players have qualified for the GSC Academic Honor Roll. In addition, 14 Wonder Boys have been named CoSIDA Academic All-District VI and four Tech players have received CoSIDA Academic All-American honors.

Along with that, five different Tech football players have been named to the GSC 'Top 10' Student-Athlete list and two Wonder Boys have received the GSC's Commissioner's Cup as the top male student-athlete in the league.

After six successful years at the helm of the football program, Mullins added the title of athletic director to his duties on April 16, 2003. In that capacity, he oversees the day-to-day operations of the athletic department and the school's 10 sport program.

Mullins began his Tech career in 1997 after spending seven seasons as an assistant coach at NCAA Division I-AA Northwestern State in Natchitoches, La.

Prior to Northwestern State, Mullins, the Camden, Ark., native, served for two seasons as an assistant coach at Northwest Missouri State, two seasons as an assistant at Southwestern Oklahoma State and four years as an assistant coach at Lamar University.

The former University of Arkansas-Monticello defensive tackle began his coaching career as a graduate assistant at the University of Central Arkansas in 1981. As a player at UAM, Mullins was a three-time All-Arkansas Intercollegiate Conference selection, a three-time All-NAIA District 17 selection, a two-time NAIA All-American, an Associated Press Small College All-American as a senior in 1979 and is a member of the UAM Athletic Hall of Fame.

Mullins, who graduated from Camden [Ark.] High School in 1976, is married to the former Elizabeth (Liz) Morgan of Groves, Texas. The couple have three children, Katie (19), a sophomore at Tech, Hunter (16) and Mason (12).

OPENING THE SEASON AGAINST NORTHWEST MISSOURI NOT ALL BAD: Opening a season against Northwest Missouri State is not all bad as the last time Tech faced the Bearcats, in the 1999 opener, the Wonder Boys went

on to finish the season with a 9-3 record and won their only Gulf South Conference Football title and also earned the school's first-ever NCAA Division II Playoff appearance. Following its 31-14 loss to the Bearcats that season, Tech won nine of its next 10 regular season games, including going 8-1 in GSC play to become the first Arkansas school to win a GSC football title. During league play, Tech collected home wins over both North Alabama (24-21) and Valdosta State (21-14), but suffered its only league loss at Delta State (17-10). The Wonder Boys ended the season by falling 40-28 at Carson-Newman in the first round of the D-II Playoffs. In fact, the loss to Carson-Newman snapped an eight-game winning streak for the Wonder Boys.

PRESEASON GSC POLL TABS

TECH SIXTH: Tech was tabbed to finish sixth in the preseason Gulf South Conference Coaches Poll, which was released on July 31. In the poll, Tech received three votes for fourth, two votes each for fifth and sixth place and three votes for seventh. Defending GSC champion North Alabama was tabbed as the preseason favorite for the second consecutive season as the Lions garnered 95 points and six of a possible 11 first-place votes. Valdosta State was picked second as they received 89 points and three first-place votes, while Delta State was tabbed third as the Statesmen received 84 points and a first place vote. Henderson State was picked fourth as they earned 75 points and the final first place vote, while Harding was tabbed to finish one spot in front of Tech as the Bisons earned 56 points. Behind Tech in the poll was West Alabama (54 points), Southern Arkansas (33 points), West Georgia (30 points), Ouachita Baptist (19 points) and

Vanhook** (Prescott, Ark.) enters his senior campaign as Tech's lone preseason All-GSC selection. Vanhook, who is 818 yards shy of becoming the fourth Wonder Boy to surpass the 3,000-yard career rushing plateau, was one of two running backs named to the preseason offensive team and one of 15 returning First-Team All-GSC selections from last season. In addition to naming Vanhook a member of the Preseason All-GSC Team, junior offensive tackle **Jeremy Ashcraft** (Marshall, Texas), a transfer from East Texas Baptist University, was named to the league's Top Newcomers List. WONDER BOYS WELCOME NEW COORDINATORS THIS SEASON:

For the first time since 2004, Tech enters a season with both a new offensive and defensive coordinator. During the offseason, Mullins promoted **Benyard Jones** to defensive coordinator and brought in 18-year coaching veteran **Scott Preston** as the offensive coordinator. Jones, who is in his second tour of duty at Tech after spending five seasons from 1999-2004 at Tech as an assistant and then returning last season as the defensive line coach after spending the 2005 season as the defensive coordinator at Butler University, an NCAA Division I-AA member. Meanwhile, Preston brings a wealth of experience to Tech as he spent four seasons (2000-03) as the offensive coordinator, quarterback, running back and receivers coach at Illinois State University. In addition to Illinois State, Preston also had stints at Murray State University, Ventura [CA] College, Georgia Military College, San Francisco State and began his collegiate coaching career working with Hal Mumme at Valdosta State University.

offseason, Arkansas Tech changed the color schemes for the school. Tech has switched from its traditional Green and Old Gold color to a Green (PMS 343) and Gold (PMS 116) scheme. The gold color is similar to the Green Bay Packers yellow that is worn on its helmets. With the change in colors, the Wonder Boys had to change its helmets this season from gold to yellow. In addition, they have added new uniforms for both home and away games this season.

Tech enters Thursday's season opener having scored in 33 straight games since being shutout 30-0 by Valdosta State in the next to last game of the 2003 season. In fact, since Mullins took over the program in 1997, Tech has failed to score in a game only twice and has scored in 121 of its last 123 games.

Meanwhile, Tech's opponents have scored in 45 consecutive games, including 12 of its last 20 opponents scoring 30-plus points, since the Wonder Boys held West Alabama scoreless on Nov. 2, 2002. In the last eight years, Tech has held only one opponent scoreless and has held nine opponents under 10 points, including two opponents last season.

BARTHEL LOOKS TO DIRECT OFFENSE UNDER CENTER: One

season after sharing quarterback duties with junior **Justin Ray** (Benton, Ark.), junior **Cole Barthel** (Decatur, Ala.) enters 2007 as the Wonder Boys starting signal caller, as the Tech coaches moved Ray to a receiver spot to take advantage of his athleticism and is big-play ability. As a sophomore last season, Barthel, who transferred to Tech from the University of Arkansas, saw action in nine games and was 121-for-196 through the air for 1,290 yards and threw 17 touchdowns and had nine interceptions. He finished the

season with a 136.46 efficiency rating, which was 37th among all Division II quarterbacks and fifth in the league and he completed nearly 62 percent of his passes and averaged 143.3 yards per game, which was seventh in the GSC. With Ray's move to receiver, Barthel will be backed up by junior **Carter Hallock** (Walnut Creek, Calif.), a transfer from Palomar Community College and redshirt freshman **Ben Johnson** (Hamburg, Ark.).

TECH STRONG AT PROTECTING THE BALL IN 2006: Tech closed out the 2006 season ranked 28th in NCAA D-II Football in turnover margin as the Wonder Boys had a +0.6 margin for its 10 games. On the season, Tech's offense committed 22 turnovers as they had 11 interceptions and lost 11 fumbles,

35 POINTS IS THE MAGIC NUMBER: Since tak-

ing the reigns of the Tech program in 1997, Coach Mullins' Tech teams are 25-2 all-time in games in which they score 35 or more points in a single game. In fact, Tech is 30-10 when it scores between 21-34 points during the Mullins era, including being 4-0 last season. Tech has won 23 straight games when scoring at least 35 or more points and hasn't lost since falling 53-36 to UCA in 1997 when scoring 35 or more points.

TECH IN HOME GSC GAMES:

Since joining the GSC in 1995, Tech is 29-13 all-time at home in GSC games and has won 10 of its last 12 at home in league play, with the only losses coming in last season's finale to Central Arkansas and earlier this season to Delta State. Last season, Tech was 4-1 at home in league play and is 21-8 at home in GSC play since 2000.

BARTHEL IS AN ACE IN

TWO SPORTS: Sophomore **Cole Barthel** (Decatur, Ala.), who is in his first season at Tech after transferring last winter from the University of Arkansas, was a second round draft pick (71st pick overall) in the 2001 Major League Draft by the Atlanta Braves out of high school. Barthel decided to forgo college originally (he signed a National Letter of Intent with the Razorbacks as a quarterback) and played four seasons in the Atlanta Braves organization as a third baseman, including playing two seasons in Rome, Ga., an A-level minor league affiliate of the Braves. In his four-year minor league career, Barthel hit .251 with five home runs and 36 RBIs. Last season as a freshman with the Razorbacks, Barthel went through spring drills and played in two games before leaving Fayetteville at the end of the first semester and enrolling at Tech. As a high school player, Barthel was selected as the North Alabama Player of the Year and was one of three finalists for the top back of the year and a finalist for the Class 6A Player of the Year as a senior after throwing for 2,074 yards and 21 touchdowns on 269 passing attempts and also rushing for 700 yards. In addition, he was a three-time All-Area selection and was ranked 69th nationally among high school quarterbacks by Rivals100.com.

STIGER LOOKING FOR MORE

IN 2007: Junior receiver and return specialist **Tracey Stiger** (Russellville, Ark.) is looking for more success on special teams this coming season. Stiger averaged 20.8 yards on 30 kickoff returns last season, despite missing the final two games of the season due to an injury. The 20.8 average was second in the GSC and helped Stiger earn Second-Team All-GSC honors in 2006. In addition to his kick returning, Stiger also averaged a team-best 118.6 all-purpose yards, which was fourth in the GSC and 38th nationally in NCAA Division II. On the season, he caught 32 passes for 319 yards (10.0 yards/reception) and scored five touchdowns. In his two-year career, Stiger has gained

DID YOU KNOW FACT. . .

Cole Barthel and Tech assistant baseball coach **Wes McCrotty** share a common similarity. That similarity is that both of them were drafted in the 2001 Major League Baseball Draft, as Barthel was a second-round selection (71st pick overall) by the Atlanta Braves out of Decatur (Ala.) High School, while McCrotty, a graduate of Russellville High School, was drafted in the 23rd round (692nd overall) by the Florida Marlins after a stellar pitching career with the Arkansas Razorbacks.

2,080 total yards, including catching 37 passes for 372 yards, rushing for 340 yards on 92 carries and has returned 54 kickoffs for 1,099 yards (20.4 yards/return) and has scored 15 touchdowns.

NCAA RULES CHANGES FOR 2007 SEASON: In 2006, the NCAA changed the way it started the clock as it decided to start the game clock when the ball is kicked off, as opposed to previously starting the clock when the ball was touched legally in the field of play. This season, the NCAA has decided to abandon last year's new rule and return to the old clock rule that states, that on a kickoff, the game clock starts when the ball is touched legally in the field of play or crosses the goal line after the receiving team touches it in its end zone. In addition, on a change of possession, the clock will start on the snap of the ball. Other clock rules this season include that during televised games only, charged team timeouts will be one minute rather than 1:30. Another rule change this season is that teams will kickoff from its 30-yard line. Previously, the ball was kicked off from the 35. For fouls by the kicking team on kickoffs and punts (other than kick-catch interference), the receiving team has the option to tack on the penalty where it will subsequently have the ball. The receiving team still may choose to have the down replayed after enforcement of the penalty at the previous spot. A third rule change this season is that no defensive player in an attempt to block, bat or catch a kick may be picked up, elevated, propelled or pushed by a teammate. This is an addition to an existing rule, with "elevated, propelled or pushed" added a new language.

HISTORY MADE IN 2004: Tech Football made history in 2004 as the Wonder Boys won its first-ever NCAA Division II Playoff game with its 24-20 victory at Buerkle Field over Catawba. In addition, Tech was the first-ever team from the state of Arkansas to host an NCAA Division II playoff game and they also was the first team from Arkansas to ever win an NCAA Division II playoff contest. The Wonder Boys, who finished with a 10-2 overall record in 2004, ended the season with its 42-24 loss at Albany State in the second round of the NCAA Playoffs. Prior to Tech's postseason win over Catawba, the Wonder Boys last postseason win came in 1971 against Northern State in the semifinals of the NAIA National Playoffs.

TECH FINISHES 2006 RANKED 26TH IN HOME

ATTENDANCE: Despite playing all five of its home games last season at Russellville's Cyclone Stadium, Tech finished the year ranked 26th amongst 143 NCAA Division II teams in home attendance as the Wonder Boys averaged 5,467 for its five games at Cyclone Stadium. On the season, Tech had 27,336 fans attend their home contests. Fort Valley State led all of D-II in attendance with an average of 13,682 per game, while Tuskegee was second with an average of 11,195. UNA was the first GSC team ranked as they finished fourth with an average of 10,091 per game, while Delta State was 21st with an average of 6,030 per game and West Alabama was 22nd as they averaged 5,783 per game last season. In addition, Tech's opponent in the season opener, Northwest Missouri State finished ranked 16th as they averaged 6,572 per game for eight home contests and Tech's second opponent, Northeastern State finished the year ranked 18th as they averaged 6,207 per game.

During his first season as a quarterback at Tech in 2004, Campbell threw for a school-record 2,922 yards and led the Wonder Boys to the second round of the NCAA Division II Playoffs.

Now, nearly three years later, Campbell has made a similar splash in the world of Arena Football while starting at quarterback for the 2007 Everett [Wash.] Hawks in his first season as a professional.

Campbell established new Everett franchise records for touchdown passes in a season (84) and passing yards in a season (3,663). In addition, he completed more than 60 percent of his passes during 2007 and ranked among the top 10 quarterbacks in AF2 (a developmental league under the Arena Football League umbrella) in passing efficiency.

And Campbell accomplished all of this despite the fact that he did not start until the fifth game of the season.

"It was rough at first because in Arena Football you have to get rid of the ball so fast," said Campbell. "I was in the shotgun most of the time at Arkansas Tech, so this was a learning experience and a struggle at first."

After seeing time as a back-up quarterback in Everett's first four games, he got his first start in week five. Campbell took advantage of the opportunity, throwing for 218 yards and five touchdowns to help the Hawks to their first win of the season.

Campbell went on to lead Everett to five more victories, including a three-game winning streak during the final month of the season. The Hawks finished their season on July 28 with a record of 6-10.

Victories were the norm when Campbell was at Tech. During his two years as the Wonder Boys' starting quarterback (2004-05), Tech accumulated an overall record of 17-5, including a 14-4 mark in Gulf South Conference games.

Campbell completed his two-year Wonder Boy career with 5,100 yards of total offense (second-most

SAM STRASNER - THE VOICE OF THE WONDER BOYS

Sam Strasner is in his sixth season as the play-by-play radio voice for Arkansas Tech Athletics. He is joined in the radio booth during football season by former Wonder Boys All-American kicker **Kelly Davis** (Arkansas Tech, '81).

Kelly Davis (left) and **Sam Strasner** (right)

A native of Russellville, **Strasner** earned a Bachelor of Arts degree in journalism from Arkansas Tech in 2001 and a Master of Arts degree in multimedia journalism from Tech in 2006. He served as both a student assistant (1997-2001) and graduate assistant (2002-04) in the Tech sports information department under former Tech SID and CoSIDA Hall of Famer, **Larry Smith**.

Strasner currently serves as Director of Publications and Creative Services for University Relations at Arkansas Tech. He and his wife, Heather, live in Russellville.

Meanwhile, **Davis** serves as Tech's Director of Corporate and Athletic Relations in Tech's Development Office. Davis, who is a Russellville native, is married to Reta and the couple have two children, Will, a sophomore at Tech, who is a student assistant in Tech's SID office and Anna Grace, a 10th grader at Russellville High School.

in school history) and 5,079 passing yards (second-most in school history).

Now, Campbell is focused on making the jump from AF2 to the Arena Football League, and he said he hopes to make that move as soon as next season.

WHAT IS A WONDERBOY, YOU ASK?? Here is the story and history of the Wonder Boys. In 1919, Arkansas Tech's football team upset the highly-favored Jonesboro Aggies (now known as Arkansas State University) 14-0 behind a pair of 70-yard punt returns for touchdowns and two point-afters by a 17-year old quarterback by the name of **John Tucker**. The Jonesboro team had staked a claim to the mythical state football championship prior to the game.

Henry Loesch, the sports editor of the *Arkansas Gazette* in Little Rock, covered the game and coined the name "Wonder Boys" in complimenting the Tech team, then known as the Aggies, in his postgame story.

Tech's men's athletic teams have been known as the Wonder Boys ever since, and Tucker was thereafter labeled as "The Original Wonder Boy." Tucker went on to complete his education at the University of Alabama, but returned to Arkansas Tech and served in several capacities, including head football coach, athletics director and chemistry professor from 1925-72.
